## **Reservation for VX2 velomobile**

### **Terms and conditions**

#### **1. The reservation**

Velomtek greatly thanks you for your interest in booking a VX2 velomobile. When you make your reservation, you make sure you have priority in the upcoming production schedule. For a variety of reasons, the top ten units may be delivered to Canadian customers only. Then, reservations from customers in the United States will be considered. Customers outside of North America will be able to book their product eventually.

#### **2. Effective date**

Your reservation becomes valid when you fill out the form correctly and we receive your payment of 1000 \$ CAD.

#### **3. Order procedure**

One to two weeks before we start making your vehicle, we will send you a manufacturing contract, giving all product details. This document will be used to configure your VX2 velomobile. Once signed, you will receive a first invoice to start the manufacturing process.

#### **4. Recognition and non-transferability**

You acknowledge that we will not hold your reservation payment separately or in a legal deposit or trust fund and that we will not pay any interest on your reservation payment. Your reservation payment cannot be transferred or assigned to another party without the prior written consent of Velomtek Inc.

#### **5. Your informations**

We will preserve your personal information in accordance with our Privacy Policy, which is available at <https://velomtek.com/terms-and-conditions/>

#### **6. Product specifications**

It is likely that the product will experience some minor modifications and improvements by the time the first production units are manufactured. Please visit the site to know the details.

**Thank you for trusting Velomtek Inc.**
